

MERRY CHRISTMAS 2023

From Andréa and Darla Snavely

Daloa, Ivory Coast, Africa

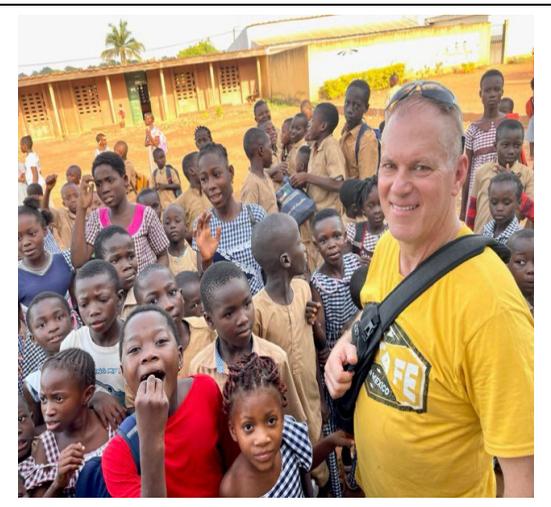

An angel of the Lord appeared to him in a dream, saying, "Joseph, son of David, do not fear to take Mary as your wife, for that which is conceived in her is from the Holy Spirit. She will bear a son, and you shall call his name Jesus, for he will save his people from their sins."

We want to wish all our friends and faithful supporters a **Very Merry Christmas** and a most blessed and Happy New Year in 2024. What an amazing year 2023 has been for us as we arrived here in Daloa, Ivory Coast, on August 13th. We have been very busy here with ministry in local churches and schools and with learning African culture and the French language. We are so blessed to have so many prayer partners and financial supporters who have done the necessary work of getting us here. Your prayers are so important to us because we face many challenges ministering in Africa. The spiritual darkness is still very real here. Your prayers are helping push back the darkness and shine God's light on those who need to hear the Good News that Jesus saves people from their sins.

This next summer we will be moving to Lomé, Togo for Andréa to teach and mentor students in their PhD dissertations at Pan Africa Theological Seminary and for Darla to do women's ministries.

At the WAAST and PAtHs graduation in Lomé, Togo, in November

May all the joy and peace of Jesus Christ be yours during this Christmas season!!

We have given away nearly 3,000 One Hope children's books at schools in Daloa, Ivory Coast since November. All the girls especially wanted to touch Darla's hair. We also were able to provide Christmas gifts to children at two orphanages, one in Daloa and one in Abidjan, Ivory Coast
